AFDC-FC: 18 Year Olds

Purpose	To provide social work staff with guidelines for extending Aid to Families with Dependent Children-Foster Care (AFDC-FC) past a youth's 18 th birthday.
----------------	--

Approved	This policy was approved by Mike Ryan, Director of CFS, on October 24, 2008. <i>Signature on file.</i>
-----------------	--

Background	Regulations allow foster care placement to continue after age 18 with AFDC-FC funding, if the youth is working to meet educational goals.
-------------------	---

This revision includes the pursuit of a General Educational Development (GED) as an educational goal, added by Assembly Bill (AB) 1633. Portions of this policy regarding school verification requirements also apply to legal guardian non-dependency cases, if AFDC-FC funding continues after age 18.

This CFS Policy and Procedure (P&P) was previously titled, "18 Year Olds: Eligibility."

Legal Mandates	<u>Eligibility and Assistance Standards, Division 45 Section 201.111</u> provides eligibility criteria for foster care funding for 18 year olds.
-----------------------	--

[Welfare and Institutions Code \(WIC\) Section 11403](#) provides required conditions for extending foster care to youth following their 18th birthday.

[All County Letter \(ACL\) 89-42](#), dated May 12, 1989, provides policy regarding continuance of AFDC-FC eligibility for youth who are 18 years old.

[Assembly Bill \(AB\) 1633](#) (Chapter 641, Statutes of 2005) allowed foster care to be extended to 18 year olds who were pursuing a GED.

[ACL 07-09](#), dated February 6, 2007, and [ERRATA](#), dated September 11, 2007 instructs counties on changes made by AB 1633 and clarifies that youth must be participating in the GED program full time.

POLICY

- Continuation of AFDC-FC** AFDC-FC will be terminated for youth on their 18th birthday unless they meet specific eligibility criteria for continuing to age 19.
- AFDC-FC may continue if all of the following applies:
- A. The youth was receiving AFDC-FC prior to age 18.
 - B. The youth was attending high school or a vocational/technical training program which could not result in a college degree or was pursuing a GED on a full-time basis prior to age 18.
 - C. The general AFDC-FC requirements continue to be met. For a complete listing of eligibility requirements, refer to CFS P&P [AFDC-FC \(H-0102\)](#).
 - D. Court dependency and foster care placement continue.
 - E. High school or vocational/technical training attendance remains on a full-time basis or GED work continues full-time with a reasonable expectation of program completion by age 19. Full-time enrollment will be defined and verified by the school. A youth is considered to be attending on a full-time basis if the student is enrolled in a full-time program.
 - F. The youth has signed a mutual agreement with Children and Family Services (CFS) which documents the continued need for foster care placement. This agreement, *Mutual Agreement for 18 Year Olds (SOC 155B)*, must be signed prior to or within the month the youth reaches age 18 **unless** continued

placement is due to Court order or the youth is incapable of making an informed agreement.

For youth approaching age 18, the Senior Social Worker (SSW) will conference with the youth and caregiver regarding continuance of dependency and AFDC-FC.

If foster care continues, placement supervision, in-person contacts, and general case management will continue to be the responsibility of the SSW.

The youth's Eligibility Technician (ET) will be responsible for making school verification requests. Beginning at age 17, the ET will notify the caregiver of the need for school verification and continue to follow-up every six months, as appropriate. *School Attendance Verification (CSF 37)* is used for this purpose.

Both full-time enrollment and reasonable expectation of program completion prior to age 19 will be defined and determined by the school program, not CFS.

Juvenile Court will continue to conduct Periodic Review hearings every six months for the 18 year old.

Termination of AFDC-FC

Payment eligibility ends the day prior to school completion, vocational/technical program completion, or the day prior to their 19th birthday, whichever comes first. Neither federal nor state AFDC-FC can continue past a youth's 19th birthday.

AFDC-FC will also be terminated if notification is received documenting that the youth cannot complete his/her program as previously expected. The date the information is received is the effective date of termination.

Termination of Dependency

Dependency may terminate when the youth graduates, completes, ends, or is terminated from one of the above programs. Court may also continue dependency if it finds that continued supervision is in the best interest of the youth.

If Court continues dependency past eligibility to AFDC-FC, the SSW may request that placement be financially supported by county funds, using *County Funds Request (F063-25-415)*.
